Nate, Bennet has no problem with a private septic system at 15225 Saltillo Road. Let me know when you have a permit number so I can issue a building permit!

Pat:

Yes. I have received the permit application but the contractor hasn't paid the permit fee as of yet. That said, knowing that I was going to have to contact you regarding this permit application anyway, feel free to respond to this email indicating your either approval or denial along with any comment. After I get the payment from the contractor, I will send you their permit number for record. This may help streamline the process for this one.

If you have any additional questions or comments, please feel free to give me a call.

Thanks Pat! Hope you had a great summer...?! Talk to you soon!

Hi Nate! Do you have anything on a new house at 15225 Saltillo Road??? I'm holding the building permit, and I have explained it to the owner who is acting as general. Not sure he is understanding me.
