Hi Nate, permits attached, one for a new lagoon and two for septics in Martell. We plan to start on the Martell jobs on Monday. For the Wendelin one we are a replacing a septic, Jeff Schoeneck, engineer, designed this one for us (thought we'd need a state permit for a well setback variance but he came up with a workable solution). For the Brewer one we are disconnecting him from a "community lagoon" that serves him & a couple neighbors (has had back up issues when it gets to full - has Southwick Liquid waste pump it down every so often). Don't have a homeowner signatures on the septic ones but will get them to you as soon as I can. Sorry if more information than you wanted on a Friday...

Hi Janet, can you call for a cc payment at your convenience? ($1,380)

Thanks,

Terri Jakoubek
