Re: Sewage Installation Permit #953801384

Dear Mr. Livengood:

The Lincoln-Lancaster County Health Department (LLCHD) has completed its review of sewage installation permits that never received final approval. This file indicates that the Sewage Installation Permit has expired.

Please contact this office within 30 days if you wish to have this permit extended for another six months. If LLCHD is not contacted within 30 days, the permit will be considered expired and the file closed.

Since this sewage system has not received final approval by LLCHD, future loan approvals or repair permits may be disapproved.

If you have any questions, please contact me at 441-8038.

Sincerely,

Jerrold C. Hood
