Re: Sewage Installation Permit #2359-C

Dear Mr. Fitzgerald:

The Lincoln-Lancaster County Health Department (LLCHD) has completed its review of sewage installation permits that never received final approval. Our files indicate that there have been no activity for over three years in regard to your sewage installation permit. Therefore, your permit file has been closed due to inactivity.

Future construction, repair or inspection requests concerning this sewage system will be treated as new installation permit application.
