Mr. Dean A. DeBoer
Rt. #1 Box 59
Adams NE 68301

Dear Mr. DeBoer:

This letter is to confirm my conversation with you on August 30, 1995, about sewage flowing from your property, described as Lot 4 Irregular Tract in Section 11, T7N, R8E into the county road ditch of Panama Road.

Allowing sewage to flow upon the surface of the ground is in violation of Lancaster County Resolution #2832 and must be corrected. Enclosed with this letter is an application to alter, extend or repair an existing sewage disposal system. If the work you plan on having done will exceed $400.00 in material and labor, then a permit fee of $50.00 must be returned along with the application form. Make checks payable to the Lincoln-Lancaster County Health Department.

In order to give you time to make these corrections, the Health Department is requiring that corrections be made within 30 days of the date of this letter. If you are delayed by extenuating circumstances, such as weather you may contact the Health Department and request an extension at this time. The Health Department must inspect any work done on the sewage system prior to its being covered up.

If there are any questions, please contact the Health Department.

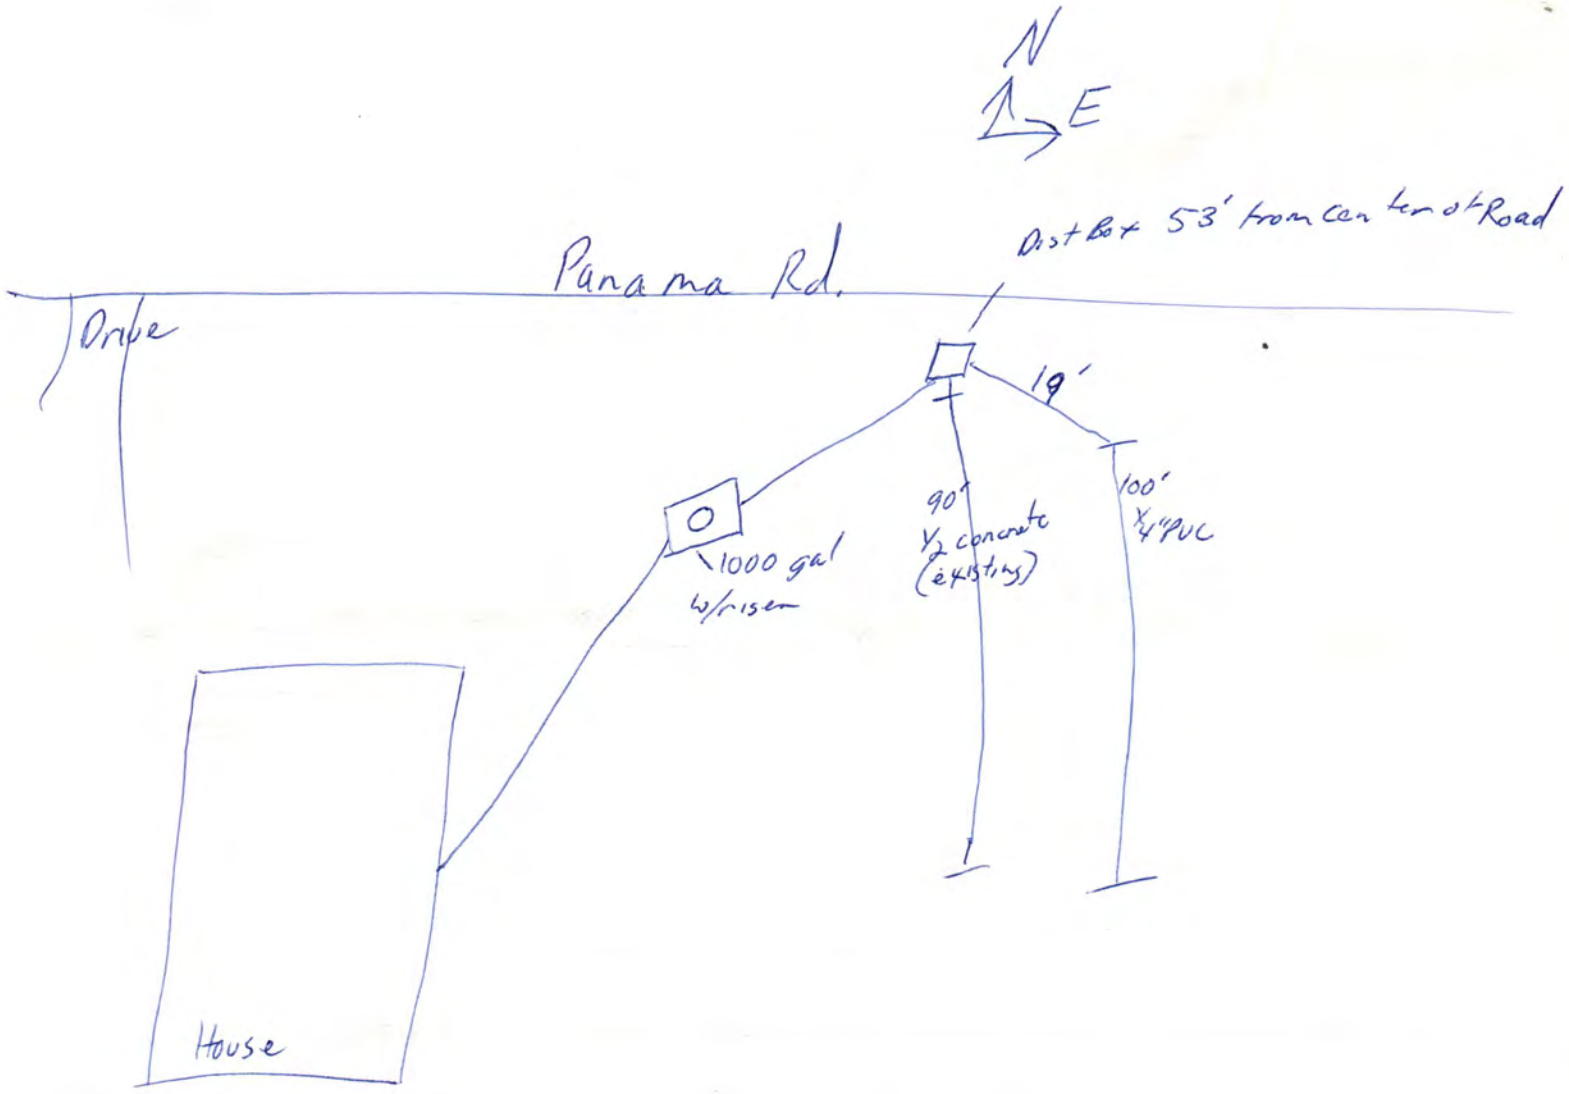

Sincerely,

Jerrold C. Hood
