Jerrold,

I apologize for not getting any additional information to you after the 3-22-95 Field visit. The reason as I've already told you was that I did not know any additional information was needed. I've included the drawing you ask for and since I may not be able to get the fence around the lagoon until next spring, as you suggested, I'm requesting an extension of the time needed to have the fence in place.

Fence will be at the bottom outside edge of ridge around lagoon
