BEFORE THE BOARD OF COUNTY COMMISSIONERS
OF LANCASTER COUNTY, NEBRASKA

IN THE MATTER OF EROSION AND DRAINAGE CONTROL ON COUNTY ROADS) RESOLUTION NO. 3708

WHEREAS, Neb.Rev.Stat. §39-1402 provides that the general supervision and control of the public roads of each county is vested in the county board; and

WHEREAS, the County Board of Lancaster County, Nebraska, deems it to be in the best interest of the residents of said County to enact regulations regarding access to county roads.

NOW, THEREFORE, BE IT RESOLVED, by the Board of County Commissioners of Lancaster County, Nebraska, that the following regulations be and hereby are adopted, effective this date:

I.

No person shall construct, use, or permit to be used on property owned or occupied by such person any private entrance or exit, approach road, facility, thing, or appurtenance upon or connected to a public or county road right-of-way without first obtaining a written permit from the County Engineer; Provided, the owner or occupier of property shall not be required to obtain a permit to use or permit to be used in its existing condition, any such private entrance or exit, approach road, facility, thing or appurtenance existing on June 29, 1982, unless the County Engineer determines that the safety and general welfare of the public will be better served by such owner or occupier being required to apply for a permit and the County Engineer gives written notice to such owner or occupier that application for a permit must be filed with the Engineer within 30 days from receipt of such notice.

II.

Such permit so issued may contain such terms and conditions as, in the judgment of the granting authority, may be in the best interest of the public.

III.

Only one means of access will be permitted for tracts of land twenty (20) acres or less unless permission is otherwise obtained from the Lancaster County Engineer. However, the right of reasonable convenient egress and ingress from lands on lots, abutting on an existing street or road, may not be denied except with the consent of the owners of such lands or lots, or with the condemnation of such right of access to and from such abutting lands or lots.

IV.

No access permits shall be issued for any private entrance or exit or approach road located within a one hundred (100) foot radius of the centerpoint of the intersection of any county or public road.

V.

The county board and any person acting in its behalf shall have the authority to enter upon private or public property for the above purposes.

DATED this 29th day of June, 1982, in the County-City Building, Lincoln, Lancaster County, Nebraska.

BY THE BOARD OF COUNTY COMMISSIONERS
OF LANCASTER COUNTY, NEBRASKA

APPROVED AS TO FORM THIS 29th
DAY OF June, 1982.
